EAT, EXPLORE, AND ENJOY BALI

Welcome to Bali!

The Island of Gods

Bali is known for its warm hospitality, strong culture, and stunning nature. Whether you are an adventurer, into sightseeing, love to experience culture or want to just lay on the beach, Bali has something for everyone and every type of visitor. It's also not only the nature, the Island is also home to some of the best dining destinations, beach clubs and shopping in the world too.

The easiest and safest way to discover all that Bali has to offer is to download Grab superapp and take advantage of all the services the app has to offer.

Use the app for both bike and car rides, renting a car and driver by the hour to get you to and from each of the destinations, also ordering food or have some groceries delivered during your stay. The app is your best travel essential during a trip to Bali.

2022 G20 Bali Summit

Bali's natural beauty and plenty selection for international standard facilities are why the Island has been chosen as the host for this year's G20 Summit. During the summit, Bali will be on show to the world as 19 country leaders from around the globe will be visiting the Island during this time. While the summit itself will be

held in November in Nusa Dua, many focus groups and discussion involving various global delegates are taking place since early this year. This becomes an opportunity to showcase all the beauty, culture, hospitality, and nature Bali has to offer to the attendees.

“Recover Together, Recover Stronger” is Indonesia's chosen theme of the G20. Playing host and welcoming the delegates to the Island will certainly aid in Bali's road to recovery. Everyone is excited that Bali has been chosen to play such a pivotal role in the summit.

GrabFor Good

Protecting the earth and living more sustainably is all our responsibility. It can be confusing on where to start or knowing what changes to make in day to day lives to help achieve this. Under the mission of **GrabForGood**, Grab is leading by example and inviting everyone

to join their **#LangkahHijau** movement. **#LangkahHijau** movement focuses on three main programs; **GrabElectric**, **Carbon Offsetting** and **GrabExpress Recycle**. Through these programs, Grab is proud to support and help make G20 an environmentally friendly world event.

GrabElectric

The largest ride-hailing electric vehicle operator in Indonesia with up to 8,500 electric vehicles consisting of two-wheels and four-wheels across 8 provinces, including Bali.

0% EMISSION
100% ELECTRIC

More sustainable than fossil fuel.
Low noise level.

Carbon Offsetting

Grab is committed to help tackling the climate change. For reducing the carbon emission, Grab invites people to balance it with their voluntary contribution to Carbon Neutral Fund. The fund then being allocated for planting tens thousands of trees across various location in Indonesia.

As part of the G20 Tourism Working Group activities, Grab organises a tree planting event from users' contribution for Carbon Neutral Fund with the tourism ministers, to commemorate the World Tourism Day 2022.

GrabExpress Recycle

Reducing, reusing, and recycling plastic is one of the world's biggest challenges when it comes to sustainability. Plastic waste takes a long time to decompose, and it can be difficult to know what to do with your plastic waste to ensure it doesn't end up as landfill. Grab partnered with Danone AQUA & Octopus to help with recycling issues. **GrabExpress Recycle** offers a service to collect plastic waste from homes and businesses to be taken to the nearest recycling centre using the Grab app.

GrabForGood is working together with the community to help reduce Indonesia's carbon emissions as part of Grab's **#LangkahHijau** movement. Everyone can contribute to taking care of the earth by doing little things in our daily lives.

**BE PART OF A
GREATER GOOD.
TAKE ACTION.**

🕒 **MON-FRI 10AM - 10PM**
SAT-SUN 9AM - 10.30PM

📍 **Jl. By Pass Ngurah Rai No. 97,
Badung, Bali**

As Indonesia's biggest destination, a visit to Bali would not be complete without bringing a souvenir or gift. The Keranjang Bali carries the concept of "Bali in One Basket", brings a different shopping experience in one place.

Various outlets exist to offer Balinese products, such as food, clothing, and handicrafts. Apart from shopping for souvenirs and food, The Keranjang completes your vacation with an amusement park to enjoy with your family or partner. Marking it as the new paradise for Balinese souvenirs and the ultimate relaxation.

GrabMart

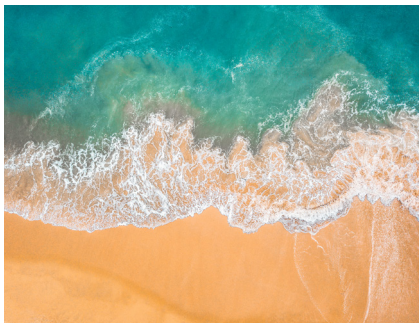

Located on the iconic beachfront of Berawa, Atlas Beach Fest was founded by a youthful generation based on happiness and personality. The first beach club ever to be 100% created and humbly owned by Indonesian people.

With a diverse range of more than 1,500 employees coming across the archipelago to be on the inspirational journey. Joined together towards being the first step in setting a benchmark within Indonesia showing the world what true lifestyle of hospitality means.

Enter an enormous breathtaking 30,000-meter square colossal-dome wall standing out with a grand waterfall within cooling throughout the venue. Filled with massive culinary ground and street market with an East-meets-West synergy of culture and food.

Truly a visionary entertainment hub, with an active multicultural community that combines global inspiration with Indonesian talent and craft. Inviting and supporting the best of Bali has to offer. The people is at the core of what makes Atlas Beach Fest unique.

**Establishing the number 1#
Destination in Bali at Bali's Largest
One-Stop Lifestyle Center.**

GWK

GARUDA WISNU KENCANA

The Icon of Civilization

The towering statue is Bali's most iconic landmark and depicts the Hindu God Wisnu, atop his mount, the mythical eagle, Garuda.

The Garuda is the national emblem of Indonesia, an enduring symbol of freedom from oppression.

Soaring to a height of over 120 meters, this is one of the tallest monumental statues in the world, higher than both the Statue of Liberty and Christ the Redeemer.
