Getting Around

In terms of topography, Lombok is dominated by mountainous areas. No wonder if the background of Mount Rinjani always dominates wherever you go in each tourist destination. Interestingly, start from the island of Lombok to the east, flora and fauna show more resemblance to the flora and fauna which found in Australia than Asia. You can enjoy all that Lombok's natural beauties in various ways. If you have a long time, visit every Lombok's area, because the distance between one destination with other destinations are far enough and takes a long time.

Lombok has a diverse contour, ranging from mountains and oceans. For those who want to enjoy adventure tour in Mount Rinjani, you can start the journey from Lombok Praya Airport. From this airport there are many available car service to take tourists to Sembalun, a village that became the starting point for climbing Mount Rinjani. Lombok also has public transportation with various purposes so tourists can easily reach their destinations throughout the island. Car and motorcycle rentals are widely available in the city center with prices ranging from IDR 400.000-600.000 per day depending on the type of the car. As for the motorcycle rentals the prices may vary from IDR 80.000-120.000. You will find different prices for this services if you happen to visit the popular Gili Islands.

Taliwang Chicken

Famously known for its dominant spicy flavor, this main dish is served in a variety of serving choices such as fried or baked. Moreover, the chicken used for this menu are three to five months old. This is what makes the chicken feels so tender. Here are a few food spots where you can try Taliwang Chicken:

- LesehanTaliwang Iroma
Jl. Ade Irma Suryani No.10, KarangTaliwang Cakranegara, Mataram, West Nusa Tenggara
- RumahMakan and LesehanTaliwang Raya
H.M. BahrnMoerad
Jl. Pelikan No. 6, Mataram, Lombok 83121, Indonesia.

Plecing Kangkung

PlecingKangkung is a common Lombok vegetable dish served side by side with Taliwang Chicken. It consists of kale boiled with spices that have been blended from a mixture of cayenne pepper, terasi (shrimp paste), salt, and tomatoes. These spices make the kale taste more delicious, with a finishing touch of both spicy bean sprouts and fried peanuts. Kale used for this cuisine is a particular type of water kale. This type is usually grown in a river that flows by a certain method, which produces kale with a crisp large bar. Restaurant recommendation where you can enjoy PlecingKangkung.

- Rumah Makan Dua-EM Bersaudara
Jl. Transmigration 99 Mataram.

Sasak Sade Village

Interested to dissolve in the culture and modesty from native society of Lombok? This village is the right place that will make you know more closely the indigenous tribes of Lombok. Are you into cultural and customary experiences? Pay a visit to Sasak Sade village which is a cultural estuary of the Sasak tribe and is located in Rembitan Hamlet, District Pujut, Central Lombok, West Nusa Tenggara. This village still preserve its traditional house and the culture of Sasak Lombok Tribe. Here also often held Peresean, which is a festive Sasak Tribe dance. Not only that, this village still conserving its distinctive weaving tradition.

Seger Mandalika Beach

One of the world class destinations that you must visit while in Lombok is Mandalika Lombok Tourism. Are you looking forward for a day in the sun and unwind from you bustling routine? Go visit one of the region's favorite beach, Seger Beach. On this beach you can find the cultural icon that represent the Lombok community, Princess Mandalika Monument. Located in Central Lombok, the beach is believed to be where the Princess Mandalika plunge into the ocean and believed to be transformed into Nyale. Even today the people of Lombok regularly hold the BauNyale ritual that focuses on Seger Beach.

Gili Trawangan

Commonly dubbed as "Gili r by most visitors, the island has an exotic and charming panoramic beach. Gili Trawangan is the largest of 3 gili (small island) located in the northwest of Lombok. For diving aficionado, the island is also known for its beautiful underwater scenery. Believe me, as far as the eyes can see in any direction, you will be amazed by the blend of blue sky, shimmering turquoise waters, and unlimited white sandy beaches! Not only that, you can also enjoy the sunrise and sunset at once in one day.

Gili Trawangan

EVENT

BauNyale

You will be dissolved in the joy with the local community when you participate in this cultural event. The beautiful beach scenery combines with the marvelous phenomenon of marine life. Do not hesitate to immediately add this event into your travel itinerary when you're visiting Lombok in late February or early March. BauNyale is a tradition of catching nyale or sea worms that are routinely done once a year by Lombok locals who live in the south area of the island, especially the WetuTelu disciples. This tradition is associated with the story of Princess Mandalika supposedly contested by many princes and often held in the period of February-March.

Topat War

The Topat War is a ceremony where participants of the event is throwing ketupot (a type of dumpling made from rice packed inside a diamond-shaped container of woven palm leaf pouch) among each other as a gesture of gratitude to the Supreme Lord, for its prosperity in the form of soil fertility, rainwater, and abundant harvest. This ceremony is annually held at Taman Lingsar by the Hindus and the Muslims of Sasak Tribe. The Topat War is usually carried out after the completion of PedandeMapuje, which was at the time of rorogkembong worn (the fall of the hibiscus flowers) at approximately around 17.00 PM.

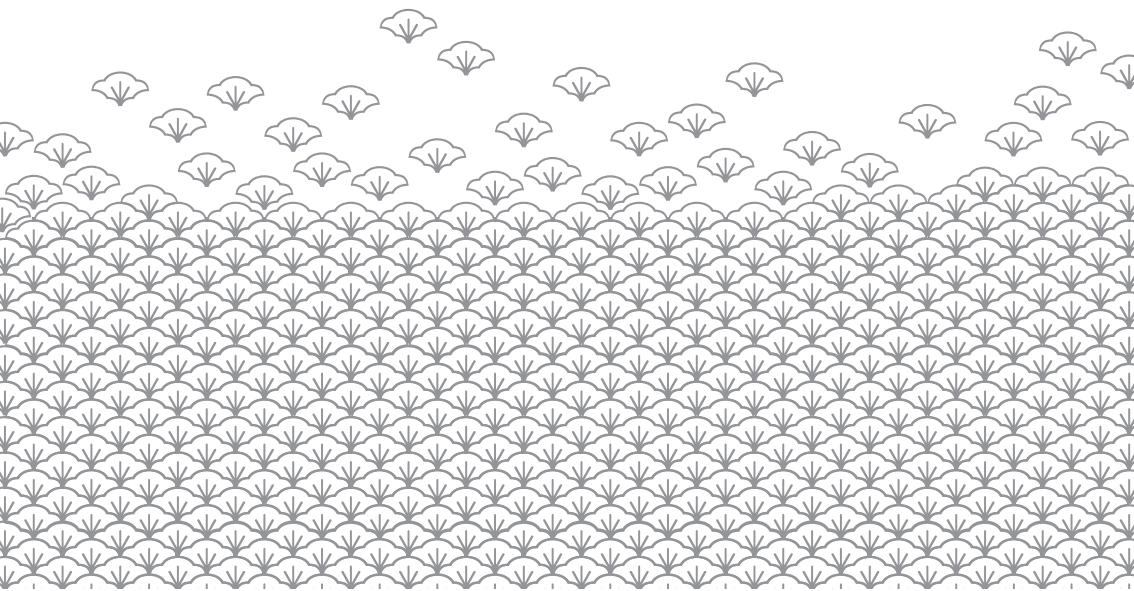

Mandalika Tour D' Lombok

An exciting experience of seeing hundreds of world-class cyclists riding their bikes as fast as possible to be the first in Mandalika Tour D'Lombok. It will be the most challenging bike competition with each stage has diverse contours and stunning natural scenery. An international cycling event, Mandalika Tour D'Lombok is included in the 2.2 license category of Union Cycliste Internationale (UCI). This cycling event is divided into four stages. Each stage has a challenge and also different nature scenery.
